#### FROM THE NAVIGATOR

Pacific Sun will maintain a north easterly course throughout the day heading towards the Doumbea Passage pilot station off Noumea, New Caledonia.

Pacific Sun is a ship of 47546 Gross tones, powered by two single acting, two stroke, slow speed, turbo charged, non-reversible crosshead diesel engines. Her cruising speed is 19 knots. (1 Knot = 1 Nautical Mile per hour; 1 NM = 1852 meters). She is 224 meters in length, 31,6 meters wide and of maximum draught of 7,8 meters. Pacific Sun has two stabilizers, which can be extended at any time, in order to reduce the rolling of the ship by 85%. Each fin is 15 feet long, 10 feet wide and 2 feet thick and they are located 14 feet below the water line, on either side of the vessel.

#### CONDUCT ON BOARD

We are committed to providing our passengers with an enjoyable holiday in a safe and secure environment. To that end, we would like you to be aware that strict action will be taken against any passenger engaging in disorderly behaviour. For those of you who have sailed with us before, you should understand that some conduct which has previously occurred onboard, is now prohibited. Passengers engaging in disorderly behaviour will be disembarked with no refund of their fare. CCTV is installed throughout the ship, including all public areas and passenger corridors.

**PLEASE NOTE THAT DURING  
THE NIGHT BETWEEN SUNDAY  
16<sup>TH</sup> AND MONDAY 17<sup>TH</sup> OF  
NOVEMBER, THE SHIP'S CLOCKS WILL  
BE SET ONE HOUR FORWARD.**
