Specialist cleaning is a 'wet' cleaning process, using small amounts of water rather than solvents. This cleaning process is not suitable for raw silks.

Subtotal \$ _____

50% Surcharge \$ _____

Regular service is provided unless guest requests same day service.

Grand Total \$ _____

Please list number of all articles and enclose with your laundry in the bag provided. Immediate notification will be given if there is any discrepancy between the list and that received by the laundry. Unless this itemised list is sent with the laundry, our count must be accepted as correct. In case of loss or damage, liability is limited to ten times the price charged for laundering or cleaning of said item. Garments are accepted at our discretion and whilst every care is exercised, we cannot accept responsibility for shrinkage, fastness of colour, zippers or articles left in the clothing. **All prices are in US Dollars.**

*This excludes any specialist cleaning only items
