Tonight: Gala Evening Attire (Black & White)

Queen Elizabeth Voyage Q308

Time zone: GMT +11

Sunrise 6.39am Sunset 8.18pm

At Sea, en route to Burnie, Australia

BLACK & WHITE

From the Navigator

Once Queen Elizabeth has let go all her lines and departs from Melbourne, she will sail through Port Phillip Bay leaving at the end of bay Point Lonsdale on our starboard side and Point Nepean on port side. Once clear from Port Phillip Bay, Queen Elizabeth will set a series of south easterly courses towards Bass Strait, which is separating Tasmania from the Australian mainland. The strait provides the most direct waterway between the Great Australian Bight and the Tasman Sea, and is also the only maritime route into the economically prominent Port Phillip Bay. Formed 8000 years ago by rising sea levels at the end of the last glacial period, the strait was named after English explorer and physician George Bass by European colonists.
