## Queen Anne's New Maiden Season

Due to grace the seas in May 2024, our 249th addition to the fleet, designed with distinction we invite you on board to discover a ship that is modern, yet timeless.

Join Queen Anne as she sails Scandinavian, European, and Mediterranean waters, turning heads for the first time with over 60 new destinations. When you're not delighting in Afternoon Tea in the Queens Room, or feeling inspired by guest speakers on board, Denmark's rugged coastlines, the pretty streets of Sweden, and Norway's glasslike fjords await your exploration, or perhaps discover something new on a UK voyage. As well as fascinating places across Northern Europe, including Iceland, where geysers and waterfalls bring a sense of otherworldly wonderment, the Mediterranean's sun-kissed shores beckon. Wander through centuries of history in bustling port towns in Spain, France, and Italy, and in Portugal, egg custard tarts and charismatic yellow trams offer a charming glimpse into local life.
